

Wildfire Recovery and Resiliency Survey

The Prevention, Recovery, Resiliency and Mitigation Division (PRRM) invites residents of Mendocino County, past and present, to complete the Recovery and Resiliency Survey!

Responses to the survey will help PRRM track the recovery progress, assess unmet needs in the community, improve future disaster recovery efforts, and plan future recovery and resiliency projects.

The survey is available now and responses will be collected until **September 15th, 2022**. Please visit: <https://www.surveymonkey.com/r/MendoDisasterRecovery>

Or scan the QR code below to complete the survey

If you were impacted by the following wildfires, we need your input!

2017 Redwood Complex Fire
2018 Mendocino Complex Fire
2020 August Complex Fire
2020 Oak Fire
2021 Hopkins Fire

For additional information, please contact PRRM at:
